I was in a Hollidaypark in Rust. I went there with my dad and my brother. Yesterday I came back. We were there for two days. You can ride lots of roller coasters. The park is very big and they built little cities in the park. We waited a lot of time to ride a roller coaster. I liked it, because they were very fast.

Dear Tom,
 Thank you for your postcard. We were in Austria and we really had a great time.
 We went there by car to a lake.
 We played tennis and went swimming.
 We rode on the bike to the lake.
 We played volleyball.
 We also played table-tennis.
 We went camping near the lake.
 In the evening we sat by the fire.
 Yours Sina
